

iVCI (the background & history)

“Since 2002, KAGIDER has trained more than 7500 women to date through entrepreneurship trainings and seminars”...

The Women Entrepreneurs Association of Turkey (KAGIDER) was chartered in September 2002 by 37 successful women entrepreneurs. KAGIDER is a unique NGO which contributes new dimensions to the progression of civil society culture in Turkey.

Mission : Developing entrepreneurship among women to strengthen their status economically and socially.

Vision : Creating a world in which women produce and establish their existence independently and play an effective role in decision-making processes.

iVCI (Some past activities)

Supporting Women to join the European Projects (WE-Mentor): Aims to provide consultancy and support for women entrepreneurs who want to be involved in the European projects. EU funded project.

Exploring the behaviours and attitudes of women towards entrepreneurship: KAGIDER prepared “**Women Entrepreneurship: Attitude and Behaviour Research**” with IPSOS- KMG which highlighted the obstacles and problems concerning women entrepreneurship. Turkey is 40 points far away from the required environment for women entrepreneurship. Education, financial support and increasing role models are crucial steps to take
